

VISIT TO METAAL TRANSPORT

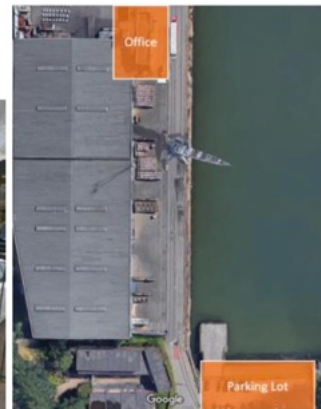

Address: Heijplaatweg 16, 3089 JC, Rotterdam

Navigation address: Droogdokweg 40, 3089 JL, Rotterdam

Google Maps: [Link](#)

Parking Place: located in front of the terminal

Visitor Guidelines:

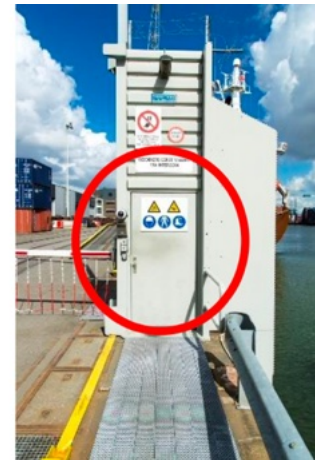

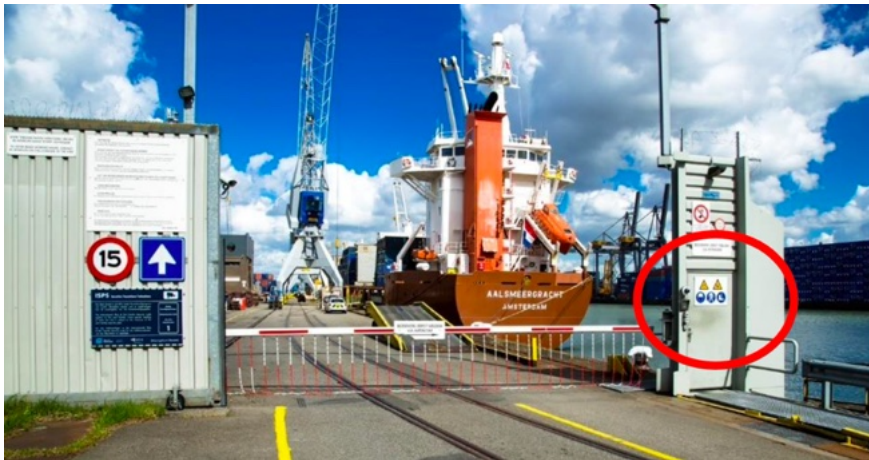

Arrival at Parking Lot: Upon arrival, please call the Intercom at the gate and follow the instructions provided by the staff.

Safety Requirements:

- A safety vest is mandatory within the terminal premises.
- If cranes are in operation, wearing a helmet is also mandatory.
- Safety vests and helmets are available in the cabinet behind the office door.

Registration Process: As we are an ISPS-certified terminal, visitor registration is required.

Please identify yourself at the ground floor of the office upon arrival.

Please read our safety regulations carefully!

Safety Regulations:

Safety Attire:

- Pedestrians must wear a safety vest throughout the entire terminal.
- Safety shoes are mandatory in designated working areas.
- Helmets must be worn within 40 meters of operating cranes.

Behavioural Guidelines:

- Using mobile phones or any distracting devices is strictly prohibited during your visit.
- Unauthorized deviation from the designated route to the office is not permitted.

Prohibited Substances:

- Consumption of alcohol, drugs, or any medication affecting reaction time is strictly forbidden on the premises.

Traffic Rules:

- The maximum speed at our terminals is 15 km/h.
- The terminal is a one-way street.
- Pedestrians have priority over internal and external transport modes.

Please note that entering our premises is at your own risks!
